- 觀察 容器 (container)
 - 針對剛剛啟動的容器
 - 插入終端機
 - # zypper -n install openssh

- #exit
- 顯示變更
- 提交

The image shows a 'Commit Container' dialog box from the YaST2@sles12sp1 application. It contains several input fields: 'Repository' with a dropdown menu showing 'testrepo', 'Name' with a dropdown menu showing 'buildimage', 'Tag' with a dropdown menu showing 'yast', 'Author' with a text field containing 'sakana', and 'Message' with a text field containing 'yast test'. At the bottom, there are 'Ok' and 'Cancel' buttons.

Field	Value
Repository	testrepo
Name	buildimage
Tag	yast
Author	sakana
Message	yast test
